Module 6: Vision

1. Using the template below identify a goal you want to achieve. The template will provide you with the steps required to reach your goal.

GOAL:

Strengths and talents I possess to achieve this goal:

Strengths and talents I need to develop to achieve this goal:

2. Answer the following questions which will provide you with the information to plan your goal:

- How will achieving this goal benefit you?
- Who do you need support from to achieve your goal?
- When/what date do you need to set to achieve the goal? (Be specific with this date)
- How will you know that you have achieved your goal?
